**RE: RESPONSE TO ACTION LETTER MAILED Sept 10 2004  
FOR APPLICATION 09-827788**

Dear Sir,

In our many attempts to fax to you, we have encountered transmission problem resulting in incomplete parts being faxed. In our latest attempt, the last 5 pages are missing and as such we are sending the remaining pages (page 40-44). If this should be administratively problematic, please send us an email, [khkwan@yahoo.com](mailto:khkwan@yahoo.com). In addition, we will be providing a complete electronic version by email as backup. This version is exactly the same.

Thank you and regards.

Yours truly,

Khai Hee KWAN
